One can enjoy stunning sunrise from the top of the Danda which is our goal and one of the **major highlights of the Mohare Danda trek**. It can be a perfect adventure for women of all ages whether you are travelling solo or with your fellow **female explorers**. Mohare Danda Trekking is fresh and unique than other mainstream popular adventure destinations around Nepal Himalayas and is increasingly featured in **Nepal trekking packages**.

For those people who are interested in enjoying short and different types of walking routes, Mohare Danda can be the perfect choice. It is a short and enjoyable adventure to trek and explore the pristine wilderness walk on off-the-beaten trails. The beauty of Mohare Danda Trekking is the tranquil surroundings, walking on a dense forest trail amidst lovely rhododendrons and pines, oaks, magnolia, and fir trees with exotic vegetation facing alluring views of beautiful landscapes and snow peaks. The other interesting about this short adventure is walking around untouched and unspoiled farm villages, where few groups of trekkers seldom venture, this is why the lodge accommodations are simple and basic. The village communities run and manage homestays for the travelers, providing guests with warm and homely hospitality. Explore the lifestyle of the local women in the **Mohare Danda trekking region**, be inspired by their strength and resilience, and see how they play a vital role in supporting women empowerment. Travelers can experience a touch of local impressive cultures, along with meals served and cooked from the organic vegetable gardens. With *Women Adventures*, you'll also access curated, community-run stays that directly support local women.

The trek begins with an exciting drive from scenic Pokhara to reach the western region of Mygdi district at Beni Town. Then, to Galeshwor village to start the trekking, heading uphill through the farm villages and settlements. Overnight in the comfort of local lodges and Home Stay Huts to enjoy the typical Nepali meals. The climb finally reaches Mohare Danda, the highest point of the journey, to enjoy the brilliant sunrise along with the arrays of towering snow-capped peaks- an unforgettable moment of the *Mohare Danda Trek itinerary*.

On the return journeys, we take an alternative route. The walk follows a long descent, then reaches the road-head to complete the walk.
